Annexure- IV

Information on Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo stipulated under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of The Companies (Accounts) Rules, 2014.

A. CONSERVATION OF ENERGY

We have high consideration for adopting Energy Conservation and relevant measures we are taking day by day. Detail is given below.

- We have replaced old lights with low wattage, high luminous L.E.D bulbs, tubes and highway L.E.D lights, resulting saving in power energy and increased light level.
- The company has installed 141 Air Ventilators on roofs of all profile sheeted sheds, reducing power consumption (which was to be use for Exhaust fans), saving energy dually, increase in light due to transparent basis of Air Ventilators.
- Every shed is updated in accordance by fixing 60 Transparent Fiber Sheets on top of sheds and walls, saving in energy and increase in day light.
- Use of energy efficient electric motors of high brands i.e.. Crompton Greaves in a systematic manner, helping in saving of energy.
- The starter points i.e. Delta Starters with VFD drives mostly in our existing machines are working and the same procedure is being followed for the new machines.
- The company had already replaced existing energy efficient Transformer standardized with I:S-1180.

B. TECHNOLOGY ABSORPTION :-

- From some last years , the company is adopting new technology at high level, changing old parts of machines , air pipe and steam pipe lines, i.e. Valves, Trap valves , N.R.Vs, pistons of presses etc., beneficial in saving fuel and electrical energy , resulting increasing efficiency of plant .
- We have already changed old compressor with ATLAS Copco compressor VSD + model.
- We have modernized our Boiler, replacing old parts and updated it by attaching Scrubber and Cyclone to reuse of its refusal, lowering consumption of coal as reuse increases combustion, helpful in generation of high level of heat.
- We at often remain changing old steam pipes with S.S. pipes and bends along with high graded insulation material, advantageous to protect form heat loss, resulting reduction in coal feed.
- The moulds of presses operationally heated up with steam ,are cordoned with branded insulation jackets resulting saving in steam energy.(Temperature of moulds reduced 80 degree from 180 degree, results are encouraging , so work is started to insulate all the moulds.
- Existing all Aluminum Air Pipes and bends of branded companies are in working conditions, helpful in reduction of air leakages and pressure drops.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

The Management discussion and Analysis Report, is a reflection of the current state of business of the company. It also deals with opportunities and challenges faced by Company and future outlook.

ECONOMIC AND INDUSTRY OVERVIEW**INDIAN ECONOMY**

The International Monetary Fund slashed its FY21 growth projection for India to 1.9% from 5.8% projected in January, holding that the 'Great Lockdown' to combat the COVID-19 outbreak will throw the world economy into the worst recession since the Great Depression in 1930s.

The corona virus pandemic came at a time when India's economy was already slowing, due to persistent financial sector weaknesses. The severe disruption of economic activities caused by COVID-19, both through demand and supply shocks, has overtaken the incipient recovery in the Indian economy leading to massive job losses. IMF even expects FY20 growth at 4.2% as against 5% estimated by India's statistics department.

Assuming a baseline scenario, in which the pandemic fades in the second half of 2020 and containment efforts are gradually unwound, the IMF in its biannual World Economic Outlook projected the global economy to contract sharply by 3% in 2020, much worse than during the 2008-09 financial crisis. For India, it estimated a sharp economic recovery in FY22 at 7.4%.

Dolfin's response to COVID-19

World Health Organization (WHO) declared outbreak of Corona virus Disease (COVID-19) a global pandemic on March 11, 2020. Consequent to this, Government of India declared lockdown on March 23, 2020 and the Company temporarily suspended the operations in the manufacturing units of the Company in compliance with the lockdown instructions issued by the Central and State Governments. COVID-19 has impacted the normal business operations of the Company by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lock down of production facilities etc. during the lockdown period which has been extended till May 17, 2020. However, production and supply of goods has commenced during the month of April 2020 at the manufacturing locations of the Company after obtaining permissions from the appropriate government authorities. Dolfin Rubbers Limited extended its support and cooperation towards all Government Initiatives/ Directions for combating the escalating COVID-19 situation. Keeping in mind the safety and well-being of its employees as top priority, the Company decided to temporarily shut down its manufacturing facilities and offices, as per the directions/ guidelines issued by the Central / State Governments.

INDUSTRY STRUCTURE

India's gross domestic product (GDP) (at constant 2011-12 prices) was estimated to be Rs 145.65 lakh crore (US\$ 2.06 trillion) for 2019-20, growing 4.2 per cent over the previous year.

India retained its position as the third largest start-up base in the world with over 8,900-9,300 start-ups as 1,300 new start-ups got incorporated in 2019 according to a report by NASSCOM. India also witnessed the addition of 7 unicorns in 2019 (till August 2019), taking the total tally to 24.

India's labour force is expected to touch 160-170 million by 2020 based on the rate of population growth, increased labour force participation and higher education enrolment among other factors according to a study by ASSOCHAM and Thought Arbitrage Research Institute.

India's foreign exchange reserves reached Rs 37.31 lakh crore (US\$ 493.48 billion) in the week up to May 29, 2020 according to the data from RBI.

India became the fifth largest auto market in 2019 with sales reaching to 3.81 million units. It was the seventh largest manufacturer of commercial vehicles in 2019.

The two wheelers segment dominates the market in terms of volume owing to a growing middle class and a young population. Moreover, the growing interest of the companies in exploring the rural markets further aided the growth of the sector.

India is also a prominent auto exporter and has strong export growth expectations for the near future. In addition, several initiatives by the Government of India and major automobile players in the Indian market is expected to make India a leader in the two-wheeler and four-wheeler market in the world by 2020.

The corona virus outbreak has heavily impacted the manufacturing industry. OEMs and parts suppliers have yet to return to full production capacity. Consequent delays in delivery might impact the market at multiple levels from postponed new car model launches, shattered supply chains, financially drained SMEs, and dampened vehicle sales in Q1, 2020. The effects will spill over into Q2 as well, with unfulfilled order deliveries due to ongoing production slowdowns. This situation is set to exacerbate the numerous challenges already facing the auto industry, including tougher CO2 emissions standards and higher investments in new technologies. The study sheds light on the impact of the pandemic on the global light vehicle production of global OEMs across key regions such as North America, Europe, APAC, China and India in three different scenarios.

OUTLOOK FOR THE FINANCIAL YEAR 2020-2021

The way forward for the Automobile Industry and the Tyre Industry is not clear given the uncertainties brought about by the pandemic. The road to recovery will not be smooth given the impact on disposable incomes, consumer behavior and credit availability. Some experts estimate that auto industry will be down by 25% in the Financial Year 2021.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE:

Risk and Concerns

The major part of raw material for tubes is polymer, which is mainly imported from Japan, Russia and Singapore. Due to this dependability upon import of raw material, company has to face a major threat relating to fluctuation in currency.

Also as the company is majorly depending upon the human resource for its day to day working, therefore high labour turnover rate may affect the company.

In order to overcome such risks and concerns your Company adopts preventive measures as considered expedient and necessary.

Opportunities and threats,

Opportunities remain immense as India is one of the highest growing economy at just below than \$3trillion economy. With rise in demand in OE and replacement segment, new opportunities awaits for the company.

Also as the demand for tube is directly interrelated with automobiles industry, therefore rise or fall in vehicles sector imposes a major threat to our company.

Government initiatives such as encourages foreign investment in the automobile sector and has allowed 100 per cent foreign direct investment (FDI) under the automatic route. The Government aims to develop India as a global manufacturing centre and a Research and Development (R&D) hub. Under NATRiP, the Government of India is planning to set up R&D centres at a total cost of US\$ 388.5 million to enable the industry to be on par with global standards. The Ministry of Heavy Industries, Government of India has shortlisted 11 cities in the country for introduction of EVs in their public transport systems under the FAME (Faster Adoption and Manufacturing of (Hybrid) and Electric Vehicles in India) scheme. The Government will also set up incubation centre for start-ups working in the EVs space. In February 2019, the Government of India approved FAME-II scheme with a fund requirement of Rs 10,000 crore (US\$ 1.39 billion) for FY20-22.

Threats: 1. Stiff Competition in the Automobile industry. Presence of such a large number of players in the Automobile industry results into extensive competition, every company eating into others share leaving little scope for new players.

2. Change of technology.

3. Any unfavorable change in Govt. Policies may affect the profitability of the Company.

Adequacy of Internal Control Systems

The Company have a adequate Internal Control Systems in process which ensures that all the transactions are satisfactorily recorded and reported and all assets are protected against loss from an unauthorized use or otherwise. The Internal control system is adequate and commensurate with the nature of its business and size of its operations, though continues efforts are being made to strengthening the same. The management also reviews the internal control systems and procedures to ensure its application.

Material Development in terms of Human Resources

The Company always believes that its growth is closely linked with the growth and overall development of its employees and to create an environment where excellence is recognized and rewarded. The target is to place right people at right position and to enhance the efficiency, working speed, competency and time management skill of its employees. The Company's endeavour is to create an environment where people can use all of their capabilities in promoting the business of the Company. Number of on rolls people employed as on March 31, 2020 is 319. The industrial relation continued to remain cordial during the year.

SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

Report on the Financial Statements**Opinion**

We have audited the accompanying financial statements of **DOLFIN RUBBERS LIMITED (“the Company”)** which comprises the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and profits, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Key Audit Matter**Evaluation of tax liabilities:**

The Company has some immaterial uncertain tax positions which involve significant judgment to determine the possible outcome of these tax liabilities. As per the company's assessment based on the legal opinion received it has a good chance of getting the demands set aside.

We obtained and reviewed details of completed tax assessments and demands for the year ended March 31 2020 from management. We made an independent assessment to evaluate whether any change was required to management's position on these tax demands & TDS demands and assess if any provisioning is required.

Information other than the financial statements and auditors' report thereon:

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the

financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure A** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the Internal Financial Control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**"

3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company does not have any pending litigations which would impact its financial position.
- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

4. With respect to the matter to be included in the Auditor's Report under section 197(16): In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.

Annexure - B to the Auditors' Report

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of **DOLFIN RUBBERS LIMITED** of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DOLFIN RUBBERS LIMITED** ("the Company") as of 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future years are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. SIGNIFICANT ACCOUNTING POLICIES:**1(A). CORPORATE INFORMATION**

DOLFIN RUBBERS LIMITED ('the Company') was incorporated in India on 12th Oct. 1995.

The Company is mainly in business of manufacturing of Auto Tube.

1(B). BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India. The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies, in all material respects, have been consistently applied by the Company and are consistent with those used in the previous year.

1(C) Summary of significant accounting policies**a). Revenue recognition**

The company follows mercantile system of accounting and recognizes income and expenditure on accrual basis except following:-

- i. Insurance claims are accounted for on cash basis when the same are received.

b) Fixed Assets:

Fixed assets are stated at cost less accumulated depreciation. Cost of acquisition or construction is inclusive of freight, duties, taxes and incidental expenses and interest on loans attributable to the acquisition of assets up to the date of commissioning of assets. Capital subsidy received against specific assets is reduced from the value of relevant fixed assets.

c) Depreciation:

Depreciation on fixed assets has been provided on Straight Line method basis as per useful life assessed by the management with the help of its technical team & on its based on past history and the nature of assets as under:-

Factory Building	28 years
Office Building	58 years
Plant & Machinery	20 years
Office Equipment	20 Years
Vehicles	10 years
Furniture,	15 years
Computer	6 years

d). Inventories:

The inventory of stocks, stores and spares has been taken, valued and certified by the Management and are valued at cost or net realizable value whichever is less. The cost in respect of various items of inventory is computed as under: -

- i. Raw Materials are valued as cost on FIFO Basis.
- ii. Finished goods and work in process are valued at cost or net realizable value whichever is less. The cost of finished goods and work in process includes cost of Raw Material and proportion of production overheads.
- iii, Store & Spares are valued at cost on FIFO Basis.
- iv. Wastage/Scrap are valued at net realizable value.

e). Staff benefits:

- i. Gratuity: Gratuity liability is provided for on the basis of an actuarial valuation made at the end of financial year.
- ii. Leave Encashment benefits are provided in the books of accounts as per Company's Rules. Provident Contribution is made in accordance with the provisions of the Provident Fund Act, 1952.

f). Sales:

Indigenous sales are accounted for on the basis of passing of title to the goods to the buyer and net of return and trade discounts, if any.

g) Purchase:

Purchases are accounted at net of GST.

h) Accounting for GST input credit:

GST Input Credit available on Raw Materials, Fuel, Packing Material, Stores & Spares, Expenses and Capital Goods etc. is accounted for by reducing the purchase/expense cost of the related material/expenses.

i) Foreign Currency Transactions:

Initial Recognition:

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion:

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange Differences:

Monetary items denominated in foreign currency are restated at the exchange rate prevailing at the year-end and the overall net gain/loss is recognized in the Profit & Loss Account except in respect of liabilities incurred to acquire fixed assets from outside India, in which case they are adjusted to the carrying value of such fixed assets.

Forward Contract: Nil

j) Export Benefits:

Export benefits are recognized in the Profit & Loss Account when the right to receive credit as per terms of scheme is established in respect of export made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

k). Borrowing Costs:

Borrowing costs directly attributable to the acquisition or construction of fixed assets are capitalized as part of the cost of the assets, upto the date the asset is put to use. Other borrowing costs are charged to Profit & Loss account in the year in which they are incurred.

l). Taxes on Income:

Income Tax expenses comprise current tax and deferred tax charge or credit. Deferred Tax Assets/Liabilities resulting from "timing difference" between book and taxable profits is accounted for by applying tax rates and tax laws that have been enacted or substantially enacted by the Balance Sheet Date.

m). Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.
